yuwell PRIMEDIC Saves Life. Everywhere.

AUTOMATED EXTERNAL DEFIBRILLATOR

Simple operation

Smart device

Data transfer

Voice broadcast

Fault warning

Equipment self-check

SMART HOST

- Smart off-wall boot technology
- Intelligent analysis algorithm technology
- Intelligent adaptive volume adjustment

SMART ELECTRODE SHEET

- Write and read electrode information
- Provide accurate electrode self-inspection report
- Compatible with USB function

SMART BATTERY

- Accurate calculation of battery power
- Effective safety protection for the battery
- Provide accurate battery self-test report
- 5 years of long battery life
